## INTERNSHIP

**Full Stack & React Developer at JeevanTech Digital Innovations** Duration:17 July to 17 October 2025 Developed a real-time payroll management system using Full Stack technologies and React, gaining hands-on experience in end-to-end web application development.

### Java Programming

Duration:09 June to 07 July 2025  
Applied OOP concepts, built GUI apps with AWT/Swing, and developed games like Tic Tac Toe and Rock Paper Scissors.

### Web Development

Duration:12 May to 08 June 2025  
Created an e-commerce website using HTML, CSS, JS, and built interactive web pages with JavaScript.

## PROJECTS

### 1. Alphabet Website for Children — HTML, CSS, JavaScript

Description:

An interactive website that teaches children the alphabet using animations and sound. Designed a responsive UI and implemented JavaScript functions to enhance user interaction.

GitHub link (Desktop View): [alphabet-website](#)

### 2. Blog Website — Express.js, EJS, Node.js

Description:

Developed a dynamic blog platform with post creation, rendering, and routing using Express.js and EJS templates.

### 3. Tic Tac Toe Game (Java)

Description:

A console-based game using Java AWT and Swing, allowing two players to play Tic Tac Toe.

Demonstrates understanding of Java OOP concepts like classes, events, GUI building, and logic handling.
